Presidents Washington, Jackson, Lincoln, and Wilson—paid tribute to the surpassing influence of the Bible in our country's development

We wrote the constitution, as a shield from tyranny.  
For future generations, this legacy we gave

But tyrants labored endlessly while your parents were asleep.  
Your freedom gone, your courage lost, your nation asleep.

You buy permits to travel, and permits to own a gun.  
Permits to start a business, or to build a home for one.

"Your children must attend a school that doesn't educate.  
Your christian values can't be taught, according to the state.

"Your money is no longer made of Silver or of Gold.  
You trade your wealth for paper, so your life can be controlled.  
You pay for crimes that make our Nation turn from God in shame.

So they can padlock churches, and steal the family farm,  
And keep our country deep in debt, our men of God in shame.

Your daughters visit doctors, so their children won't be born.  
Your leaders ship munitions, and guns to foreign shores.

Or don't you have the courage, or the faith to stand with pride?  
Are there no more values for which you'll fight to save?

Defend the Constitution, the Supreme Law of the Land!  
Preserve our Great Republic, and GOD-Given Right!  
And pray to GOD, to keep the truth from fading.

For even now as tyrants, trample each GOD-Given Right.  
We only watch and tremble, too afraid to stand and fight.

What would be your answer, if he called out from the grave:
